Project Description

The objective was to disseminate practical knowledge on the use of the "Tuneps platform" and, ultimately, promote its adoption by users, when the ECDO, has selected Avatar Learning Inc after an international call for tender mainly for:

- The development of two online learning modules about Tunisia's online procurement system « TUNEPS » in Tunisian Dialect Arabic, one for the Tunisian providers and the other for the public buyers.
- Making a video in English language to introduce the process of public purchasing

Helping and assisting the Tuneps Project team to improve the team capacity to guarantee the success of the launching of the elearning platform.
