Project Description

CILG-VNG-European Union; following a public tender, selected SIT ELearning Solutions in consortium with Avatar Learning Inc for the task of setting up online courses, with the aim of writing and instructional designing of 5 distance learning modules, to support taking-up newly hired IT professionals in municipalities.

As a second component, SIT facilitate and organize the TOT "training of trainers", with the aim of training these IT professionals to be the subject of a massive recruitment between 2020 and 2021
