Project Description

Following an international call for tender, UNICEF has assigned SIT E-learning solutions in consortium with Avatar Learning Inc for:

- Setting up a pedagogical platform for online training for the National Training and Development Center (CENAFOP) of the Ministry of Education. The project consists in the installation, the configuration and the setting of the last version of Moodle and integrating the video conference tool the « BigBlueButton ».
 - The content writing, the Instructional designing and the production of 12 units targeting pre-school teachers and teacher trainers.
 - All the courses are in Arabic language
- For this project a team of 16 Experts in the field, supported by 6 multimedia integrators and a project manager has been put in place.
